

CAPABILITY ENHANCEMENT AND DEVELOPMENT SCHEMES IN COLLEGE

▪ Career Counselling:

EJM College has a well-functioning Career Counselling committee comprising of:

AP Jigmet Angmo (Convener)

AP Nilza Angmo

AP Rajinder Kumar

AP Konchok Chorol

The committee follows a structured mechanism for career guidance. The Committee organises career counselling workshops in order to make the students aware of all the possible career paths they can undertake with various courses.

EJM College in Collaboration with District Employment Counselling Centre and NIELET organises various workshops in the college where they invite experts from all fields to share their expertise with the students.

In the recent past, Deputy Superintendent of Police Headquarter, LAHDC (Naropa Fellowship)- India, Navy Outreach Programme, JK Youth Development Forum and NSDC, JKSDM have come to the college for career counseling and guidance.

In addition to this, the college also has a facility of providing psychological support to the students.

The Career Counselling Committee has been conducting CV writing seminar for the students over the years to help students improve their abilities with the perspective that curriculum vitae (CV) is an essential foray in students career.

▪ Soft Skill Development

i. Certain areas do exist in the curriculum where it is possible to promote and encourage entrepreneurial skills among the students. Mushroom Cultivation Technology in Botany, the medicinal herb cultivation in Botany, Computer Application in Economics, Office Management and Secretarial Practice in Commerce, Learning Skills of Translation in Urdu and Personal Selling and Salesmanship in Commerce.

ii. Apart from these courses, which are included in the curriculum, the college also conducted an Add On course on Travel and Tourism Consultancy for one year under RUSA Scheme. It commenced on 16th of November, 2018.

iii. A proposal for a one-year Add On course on Solar Water Heater Technician has also been approved recently. This course is expected to start from the upcoming academic session.

iv. The college conducted the following workshops and seminars to enhance the soft skills and employability of the students:

- Computer Workshop: A computer workshop was organized by Associate Professor Tashi Dawa, which was participated by 35 students. The weeklong workshop was aimed at improving the employability of the students.
- Dancing Workshop: The College organized a dancing workshop for fifteen days for the students where around 64 students participated.
- IQAC: on 14th of May the Internal Quality Assurance Cell of the college organized the workshop “Channelizing efforts towards excellence”. All faculty members and members of the student council participated.

▪ Bridge Courses

After the students have got admitted in the Institution to pursue programmes of their choice, it becomes imperative on part of the Institution to cater to all their academic and co-curricular needs.

The faculty member devotes the first few days of his assignment to formulate an idea about the curriculum and how they are supposed to teach. Based on their personal judgment and feedback from the class the teachers identify the weaker groups within the class who are deficient in knowledge and special attention is provided to such students. Add-on courses were also offered to the students as means of increasing their knowledge and skills.

▪ Yoga and Meditation:

Several workshops on Yoga and Meditation have been conducted in the college. Assistant Professor Tashi Dorjey conducted the Meditation and Yoga Master Shri

Shanta Negi conducted the Yoga workshop. Such workshops become paramount keeping in view the importance of Yoga and Meditation in the current stressful times.
