Courses offered in the college.

You learn more from failure than from success. Don't let it stop you. Failure builds character. Unknown

ABRIEF COLLEGE PROFILE

Government Degree College Leh was established in the year 1994. Governor General of Jammu and Kashmir K.V. Krishna Rao formally inaugurated the college in the presence of Mr. Goswami, Advisor to Governor General, Mr. Samuel Verghese, Secretary Ladakh Affairs and Mr. Thupstan Tsewang present Member of Parliament.

The college started with a mere roll of 55 students in the initial year, and today there are more than 1000 students enrolled in the college in Commerce, Medical, Non Medical and Humanities stream. Likewise, the faculty members also increased substantially comprising 33 permanent faculties and 5 teaching assistants along with 7 non-teaching staffs. The college started with Humanities stream only, but subjects like Commerce, Medical and Non- Medical were introduced later. Recently some new subjects were also introduced vis-a-vis Biochemistry, along with Skill Based Development Education System.

The college has laboratories for various subjects like Physics, Chemistry, Zoology, Botany, Psychology, Biochemistry and Geography. Co-curricular activities like debates, essay writings, dance, cultural shows, personality development, career counseling, seminars, sports meet and college departmental tours are also being organized annually. Our College is committed to provide quality education to our students so that the future generation will be a better and responsible citizens.
