Cause of your failure in 1st semester exam

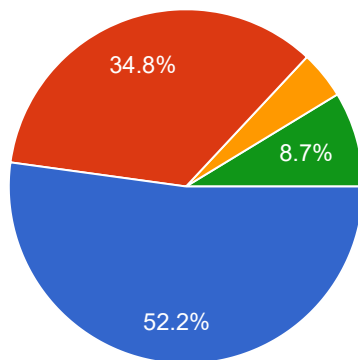

23 responses

- Because online class were not effective
- Because of Offline examination
- I didn't study hard
- Teacher didn't teach effectively

What according to you is the main reason for students getting failed in exam?

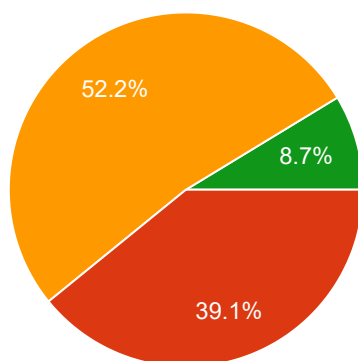

23 responses

- Absence of Offline classes
- Insufficient study material
- Insufficient class lecture
- Student's personal problem or laziness

What kind of learner would you say you are

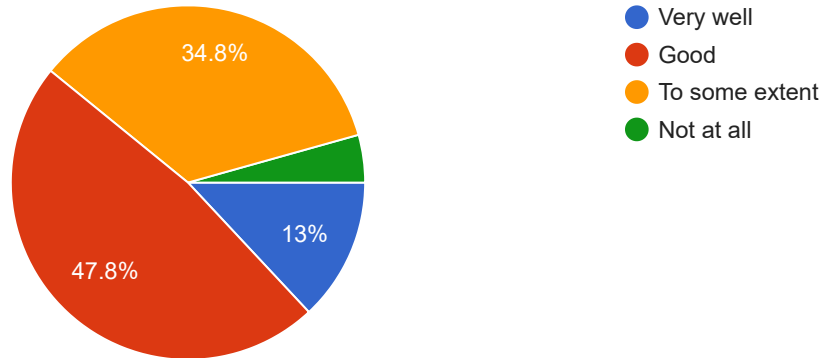

23 responses

- Very slow
- Slow
- Mediocre
- Fast

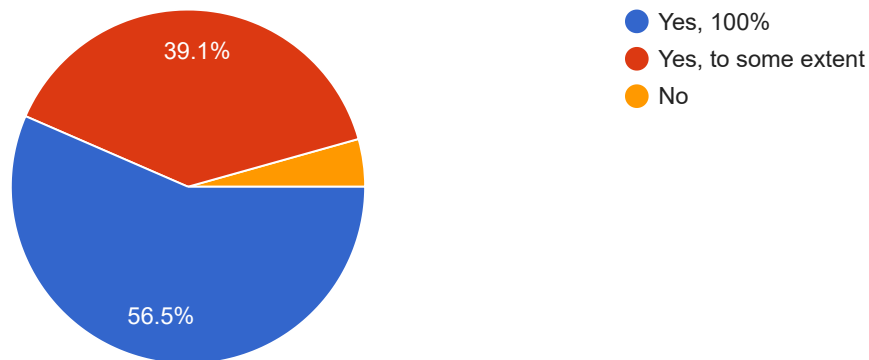

Do you think the teaching methods used by your teacher helped in your understanding of the topic being taught?

23 responses

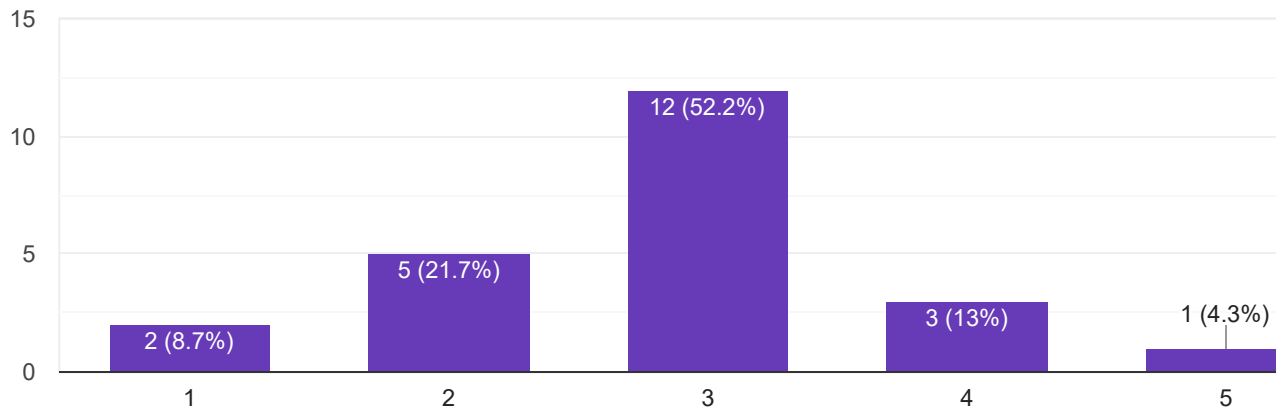

Are you comfortable with the language that teacher uses in lecture?

23 responses

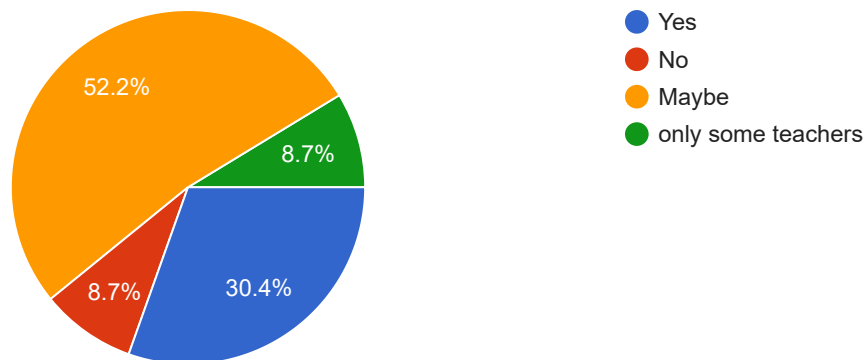

How satisfied are you with the study materials provided by subject teachers

23 responses

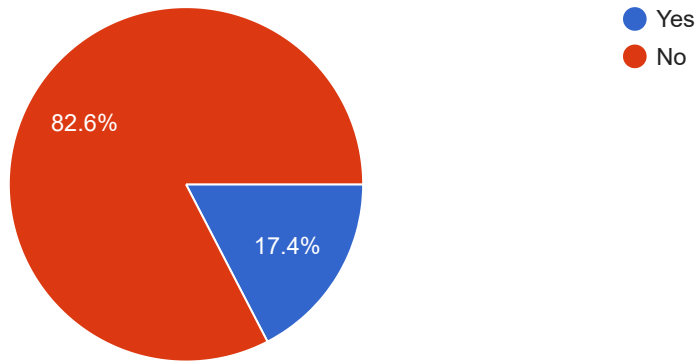

Do all teachers complete their syllabus on time

23 responses

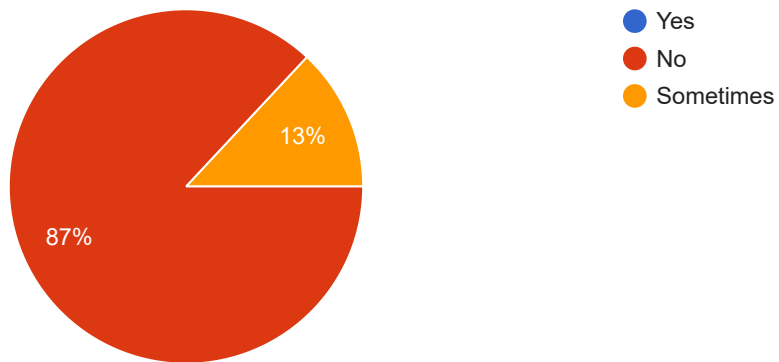

Did you get enough time for revision?

23 responses

Are you working somewhere ?

23 responses

In which subject you failed ? and why?

23 responses

Zoology

Botany

Due to less time (only 2 days) and syllabus are lengthy

Zoology, botany

Zoology n botany

Botany ,zoology and anthropology

Zoology.first thing in zoology my concept was not clear so due to poor network access I could not catch up the syllabus and also unable to attend online class.

Botany,

Due to the lack of understanding and also due to internet problem i can't complete the syllabus

Zoology and Botany

Any suggestion for improvement of class teaching and to avoid failure in exam?

23 responses

No

Yes

Before class to say for online class in whatsapp

And max. Student attend

Noo

half hour per subject ..most of the 1st Sem student Had net work problem ..online class is not effective for us because net issue.... I request to all plz our back log exam held after my 3rd Sem n online thanks

Nope

There is no need of improvement in teaching system and way .If the class are offline

No need to improve but If classes are offline we will ne able to understand the concepts and topic easily
